confidence *One of the fantastic aspects of dealing with a privately owned, family run organization is that we are dynamic and different. DYNAMIC because our focus is set firmly on the future and DIFFERENT because we are passionate about providing you with more value adding as well as more exciting options.*

As we value your loyalty above all else, we are pleased to offer a special 'thank you' to all our clients by way of a unique incentive:

certainty *Simply book 100 local same day courier or taxi truck jobs and we will reward you with either:*

A FREE double movie pass
A FREE bottle of quality wine
... or champagne

Double the reward over the net!

choice

Book those jobs on the internet and you will receive double the reward!

But WAIT, there's more ...

On top of the movie pass/wine incentive, we have decided to expand this to a complete Rewards Programme, effective immediately.

flexibility

For every dollar you spend with us, you will accumulate Rewards points which you can then use to redeem a whole range of fantastic products, including but not limited to:

diversity

And now we have Premium Partners, one of our most exciting ventures yet. And it's so simple to take advantage of this exclusive incentive.

Every dollar you spend will accumulate Rewards points!

A Premium Partners Rewards history report can be produced for you at any time upon request, however this information will soon be available online.

Simply rack up enough points and your FREE reward will be delivered to your door!

... And how do you claim your reward?

Ask your local office for a Redemption Claim form, complete it, and then fax it back to us. On the Redemption Claim form you will find a comprehensive list of Rewards gifts on offer, along with the number of Rewards points required to redeem each free gift.

As always, there are a few conditions you need to keep in mind:

- You will be ineligible for Rewards points if you don't pay us on time. That is, if you don't pay us within our standard credit terms your Rewards points will be automatically reversed by the system.*
- The invoice(s) upon which Rewards points have been issued must be paid in total prior to claiming your redemption.*
- Rewards points expire if not redeemed within 12 months of accrual.*
